

THE MAGAZINE

It is my pleasure to address you on behalf of **Smart Integraciones Mag**, a technology-focused publishing corporate established in Spain for several years. I am delighted to introduce our latest initiative, a quarterly magazine set to launch in January 2024, representing an exceptional opportunity to spotlight your brand in the dynamic world of technology.

A Unique Vision

Our magazine, Smart Integraciones Mag, distributed online and in PDF format, stands out for its modern and engaging layout. It is designed to be sent directly to our database of professionals specialized in key sectors such as Audio/Video Professional, Security and Protection, Smart Home & Building, and Networks and Infrastructures.

Quality Content

The editorial line of our magazine covers product presentations, industry news, exclusive reports, presentations of prominent companies, interviews with industry leaders, an agenda of relevant events, and specialized dossiers written by experts on current topics. Each issue is meticulously crafted to provide our readers with a top-quality informative and educational experience.

Unique Opportunity in the First Issue

The inaugural issue, slated for mid-January 2024, will be dedicated to the Audio/Video Professional sector and will coincide with the ISE 2024 reference show. This circumstance presents a unique opportunity for your company to stand out just before this crucial event.

Reasons to Advertise in Our Magazine

Strategic Visibility: Your advertisement will be presented to a highly engaged audience just before ISE 2024.

Precise Targeting: Reach directly into professionals in key sectors that constitute your target audience.

Quality Content: Your advertisement will be surrounded by relevant and high-quality editorial content.

Attached to this email, you will find our detailed advertising proposal, including available ad sizes, rates, and technical specifications. Feel free to discuss any doubts you may have or to tailor an offer to fit the specific needs of your company.

If you should require further information, please feel free to contact.

Thank you sincerely for your time and attention. I am excited about the prospect of collaboration and making our magazine a prominent platform for your brand.

Best regards,

José Da Cunha

THE MAGAZINE

Smart Integraciones Mag is a quarterly professional publication with the aim of expanding the content of our portal and giving greater prominence to all stakeholders in the integration sector. The concept is dual as it will be published in the classic PDF format and also in an enhanced web format, thus being available with maximum readability and quality for all devices.

In our magazine, all relevant content and articles for the sectors that interest our readers fit seamlessly: **AV Pro, Security, Smart Home & Building, Networks, Market, and Channel.**

Throughout our pages, readers will find product presentations, national and international achievements, interviews with market leaders, opinion columns, technical articles, news and updates, brand highlights, and everything we know is of interest and concern to integrators.

The magazine is distributed free of charge and will be available from our website, through the newsletter, and sent to our database of industry professionals. This guarantees broad dissemination among industry professionals, integrators, and clients.
